

# Encouraging Language Development In Early Childhood Settings Workshop

Don't miss this fantastic opportunity to participate in Module One of the *Teacher Talk* series. You will learn to apply key strategies from the Hanen Learning Language and Loving It Program to provide a rich and stimulating language learning environment for young children (birth through kindergarten), that encourages language development, builds early literacy skills and provides a physical and social environment that encourages peer interaction.

This one day training addresses how educators can use everyday conversations, play and daily routines to promote children's communication and social development. In addition, the training addresses how educators can meet the needs of all children, including those with language delays and those who are second language learners.
